WELCOME TO THE BEACHFRONT ROOM WITH HOT TUB

Discover the ultimate beachfront escape with our 8 new Beachfront Rooms, each offering 590 sq. ft. of luxurious space and a private outdoor hot tub. Nestled among palm trees and vibrant gardens, these rooms provide direct beach access and stunning views of the beach and bay.

Housed in four single-level buildings, each with just two accommodations, our Beachfront Rooms ensure privacy and tranquility. Enjoy a spacious private patio with lounge seating, perfect for relaxing or stargazing from your hot tub.

Inside, the bathrooms are elegantly designed with a soaker tub, a glass walk-in shower, and dual vanities. Located right on the beach, with your feet immediately in the sand, these rooms are also conveniently adjacent to the Resort Lodge, restaurant, and infinity pool.
